PRIME MINISTER • PREMIER MINISTRE

*I am pleased to extend my warmest greetings to everyone taking part in the 35th Annual North American Chinese Basketball Association (NACBA) Invitational Tournament, hosted by the Montreal Mynix Athletic Club (MMAC).*

*It is a source of pride that the game invented by Canadian James Naismith has become an important contribution to world sport and continues to grow in popularity more than a century after it was first played.*

*In cities across Canada and the United States, NACBA clubs offer amateur basketball players of Chinese descent a chance to compete with others at their own level for fun, fitness, and love of the game. Like other NACBA activities, the annual tournament promotes good will and fellowship in a community with a shared heritage.*

*I would like to commend the event organizers for working together with sponsors and volunteers to ensure the success of this tournament. I am certain that the competitors will strive to achieve their personal best while enjoying the camaraderie and social interaction that are an essential part of the experience.*

C'est à l'occasion du 35<sup>e</sup> tournoi du Montreal Mynix Athletic Club (MMAC) que se retrouveront réunis de nombreux passionnés et passionnés de basket-ball, non seulement pour participer à des matchs amicaux, mais également pour célébrer et consolider les liens communs qui existent entre les différentes communautés chinoises à travers les États-Unis et le Canada.

Présente sur le territoire québécois depuis de nombreuses années, la communauté chinoise a su enrichir notre société par sa culture, ses talents et ses saveurs colorées. Chacune et chacun d'entre vous avez assurément contribué à façonner l'identité québécoise d'aujourd'hui, qu'on a fierté à décrire comme ouverte et unique.

Je tiens à féliciter l'équipe du MMAC pour l'organisation de cet événement multiculturel dans notre belle métropole, ainsi que pour sa contribution à la promotion de vos racines québécoises, ici et ailleurs dans le monde.

À tous les participantes et participants, je souhaite la meilleure des chances et un très bon séjour au Québec !

Le premier ministre du Québec,

Philippe Couillard

The 35<sup>th</sup> Montreal Mynix Athletic Club (MMAC) tournament will bring together numerous basketball fans, not only to participate in friendly matches, but also to celebrate and strengthen common bonds between Chinese communities in the United States and Canada.

The Chinese community is long-established in Québec and has enriched our society through its culture, talent and culinary art. Each and every one of you has undoubtedly helped to shape Québec's identity, which we proudly describe as open and unique.

I would like to congratulate the MMAC team for organizing this multicultural event in our beautiful Metropolis, as well as for its contribution to the promotion, at home and abroad, of your Québec roots.

Good luck to all participants and best wishes for a very pleasant stay in Québec.

Philippe Couillard  
Premier of Québec

À l'occasion du 35<sup>e</sup> Tournoi de l'Association nord-américaine chinoise de basketball qui a lieu dans notre Métropole cette année, Montréal est fière d'accueillir une activité sportive très prisée par les jeunes d'aujourd'hui.

Ce sport attire de plus en plus de membres de la communauté chinoise. Je tiens à saluer l'ensemble des personnes engagées dans ce projet et en particulier, M. Jack Lee, président du Congrès national des Canadiens-Chinois et président d'honneur de cette activité ainsi que le Club athlétique Mynix de Montréal, instigateur de la tenue de l'activité à Montréal.

Les membres de la communauté chinoise de Montréal contribuent au quotidien à dynamiser notre ville et à en faire un lieu de mémoire grâce à son apport, et un terrain fertile pour le développement de différentes activités culturelles ; ceci témoigne de l'attachement de plusieurs citoyens et de la vitalité de la communauté.

Mes meilleurs vœux de succès accompagnent les organisateurs du 35<sup>e</sup> tournoi de basketball ainsi que tous les bénévoles qui les appuient.

On the 35th Tournament of the North American Chinese Basketball Association to be held in our Metropolis this year, Montréal is proud to host a sport that is highly popular among today's young people.

The basketball draws an ever-growing number of Chinese community members. I applaud all those involved in this project and, in particular, Mr. Jack Lee, President of the National Congress of Chinese Canadians, as well as Honorary President of this activity and of Montréal's Mynix Athletic Club—driving force behind the activity's hosting in Montréal.

Members of Montréal's Chinese community bring fresh energy to our city every day and make it a place of memories and a fertile ground for the development of different cultural activities. Such efforts illustrate the dedication of so many Chinese Canadians and the vitality of their community.

I wish great success to organizers of this 35th Basketball Tournament and to all volunteers for their support.

Denis Coderre

### GREETINGS

Bonjour et bienvenue à Montréal – On behalf of the NACBA and the Montreal Mynix Athletic Club we welcome you to Montreal and the 35<sup>th</sup> Annual Invitational Basketball Tournament. With 82 teams, 1000+ players, friends and family members, this is one of the most widely attended tournaments in recent NACBA history.

The city of Montreal boasts many distinct neighborhoods full of history and some of the best restaurants and boutiques. Start in Old Montreal, where the city began. Visit the Notre Dame Basilica, Montreal's oldest church built in 1656 or take a walk through Chinatown for some dim sum and bubble tea. A horse drawn carriage ride on the cobbled streets of Old Montreal can be as romantic as it gets. How about a stroll through the Underground City replete with restaurants, shops, cinemas and museums? If sitting by a cafe is your thing then head to Crescent Street for some food, drink and people watching. For those looking to try their luck at the gaming tables, Casino de Montreal is the place to go.

The basketball festivities begin on Friday evening with the "Captains Meeting and Tournament Selection Event" in Chinatown followed by three days of hoop madness. The Sunday Night Awards banquet will be followed by the After Party which will be highlighted by the 1st NACBA Karaoke Team Challenge. It's sure to be a night of FUN and LAUGHTER.

The NACBA would like to welcome some new teams making their first appearance at the tournament: Canton United from China; Halifax No Breaks, and the Ottawa Amigos. Another first worth mentioning is the inaugural tip-off of our Girls 18-under division. In addition, we'd like to introduce to you our new board members – Christina Vuong, Jenny Chan and Jenny Leung. This dynamic trio will ensure the continued growth of our women's/girls divisions and the tournament itself.

A sincere thanks to Richard Chin, Casey Wu, Peter Chang, members of MMAC (Montreal Mynix Athletic Club), volunteers, families, friends, committee members, Tourisme Montreal and all those who have worked so hard to make the 2015 – 35<sup>th</sup> Annual NACBA Invitational Basketball Tournament – "**SENSATIONAL**".

Thank you all for coming and enjoy the weekend!

# A WORD FROM THE PRESIDENT

## INTRODUCTION

May 22 to 25, 2015 - Montreal, Quebec

Dear Friends,

On behalf of the Montreal Mynix Athletic Club (MMAC) I wish to extend a warm welcome to you, your families and friends to come to our beautiful city of Montreal to participate in the 35th Annual NACBAIT — North American Chinese Basketball Association's Invitational Tournament.

With the rise of global basketball icons such as Yao Ming and Jeremy Lin, basketball has quickly expanded its popularity among the Chinese community all around the world.

MMAC is the largest non-profit organization focusing on developing Chinese athletes in Montreal. As of today, we have many men, women, teenagers and young children participating in our sporting events. I am proud to say that MMAC will continue its great work to further promote a healthy lifestyle among the community.

Montreal is renowned for its plurality of cultures, romantically traditional and small-town friendly, yet cutting-edge innovative and cosmopolitan dynamic.

MMAC would also like to thank a number of organizations such as the NBA Canada and all the sponsors and volunteers for their support in making this event possible. In closing, I wish all the players a great weekend of games and, most importantly, to have fun. As we say in French, "Bonne Chance et Bon Match!"

**Richard Chin**

**President, Montreal Mynix Athletic Club**

Co-Chairman, 35th North American Chinese  
Basketball Association's Invitational Tournament Committee

## ABOUT THE ORGANIZATION

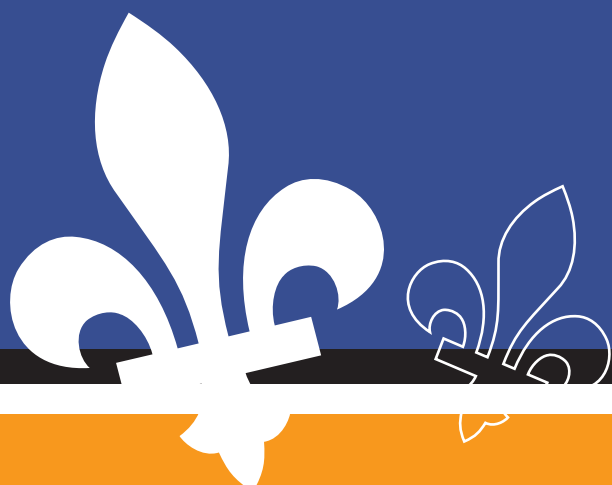

Montreal Mynix Athletic Club (MMAC) is a non-profit organization loosely founded in the early 1980's. At the time, it was simply a few die-hard basketball enthusiasts who decided to form a team in order to participate in some of the tournaments hosted by other Chinese communities' sports clubs in Canada and in the US.

MMAC was officially incorporated in August 2002. Its sole purpose was to encourage cultural preservation of its city's Asian community through sports. More specifically, its aim was to develop young Chinese basketball players of all ages and gender in order to compete nationally and internationally. All of the directors, coaches and staff members are volunteers.

MMAC maintains excellent relations with other Chinese-Canadian basketball clubs throughout Canada. It is also an active supporter & participant in the North American Chinese Basketball Association's annual invitational tournament (NACBAIT or [www.nacbait.com](http://www.nacbait.com)) which has a membership of

more than 70 teams from across the US and Canada. MMAC had the honor of hosting the 24th NACBA tournament in Montreal in 2004 which attracted more than 55 teams from the States, Canada and even a team from China.

For the past several years, it has been the host of its own regional All-Asian Naismith Tournament. Many teams from both Canada and the US have been coming to this annual event. MMAC is a true believer in the development of young Chinese basketball talents and is committed to making Chinese-Canadian basketball players strong contenders on the national and international scene.

## THE TRUE MEANING OF VICTORY

**T**he North American Chinese Basketball Association (NACBA) and the Montreal Mynix Athletic Club (MMAC) will welcome 83 teams, friends, and family members to Montreal at the upcoming 2015 **35th Annual Invitational Basketball Tournament** this Memorial Day Weekend. Tournament hosts Richard Chin, Casey Wu and the members of MMAC are preparing feverishly for the big event and promises to show you that special brand of “Montreal hospitality”. The festivities begin on Friday evening with the “Captains Meeting and tournament selection draw” in Chinatown followed by three days of hoop madness. The Sunday Night Awards banquet will be followed by the After Party which will be highlighted by the 1st NACBA Karaoke Team Challenge. It’s sure to be a night of FUN and LAUGHTER.

This year’s tournament will feature eight divisions of play highlighted by the Men’s Open division which always promises to showcase some of the best Chinese basketball players in the USA and Canada. The Men’s Masters/Old School (50+ over) division will even feature a team from China — Canton United. Just as important is the tip off of inaugural Girls 18u division. Recently named NACBA at-large board members, Christina Vuong, Jenny Chan and Jenny Leung are excited to play a part in the continued growth of girls/women’s basketball.

This year’s NACBA Tournament Awards Banquet will be held at two locations: **Ruby Rouge Restaurant and Le Cristal Chinois**. With 83 teams participating this year, additional banquet tickets is extremely limited and will be sold on a first come first paid basis.

Each team will be allotted 12 banquet tickets. Each person attending the banquet will require a ticket for admittance. The cost of each additional banquet ticket is \$30.00 USD. Tickets will be on sale until April 10, 2015 or until there is no more available seats in the two restaurants whichever comes first. There are two ways to pay for additional banquet tickets.

### Girls 18U PLAYOFFS/CHAMPIONSHIP ROUND

# Rules & REGULATIONS

**Current 2014-2015 NCAA MEN'S rules apply in all games subject to the following modifications:**

1. Teams will play at least three games throughout the tournament. Upon completion of preliminary round robin play, teams may advance to the playoff rounds (Medal or Consolation) based on their seeding

2. During round robin play, all games will consist of two (2) 18 minute halves. The first half is running time with the last 15 seconds stop time. The last two (2) minutes of the second half is stop time. The clock stops on all made baskets in the last one minute of the second half. The clock stops on all time outs. In the playoffs for the Men's Open division, each game will consist of two (2) 20 minute halves. All other playoffs in all other divisions will consist of two (2) 18 minute halves. All Championship games will consist of two (2) 20 minute halves.

3. Halftime for all games is two (2) minutes.

4. Each Overtime will consist of a two (2) minute period with stop time for the last minute.

5. Each team has three (3) time outs per game. These do not carry over into overtime. In each overtime period, each team receives one (1) time out.

6. One and one bonus free throws will be in effect on the seventh (7th) team foul. Two free throws will be awarded on the tenth (10th) team foul. Players may enter the free throw lane on the release of the ball, while the shooter and any player outside the 3-point line must wait until there is contact. The low block must remain empty at all times. The 4-2 rule will be utilized.

7. Players may not wear jewelry, watches, rings, wristbands, casts, or protruding braces. Taping of jewelry is not allowed. No piercings. Violation of this rule is a technical foul and the player must remove the jewelry/items in question.

8. Each team must begin the game with five (5) players.

9. Each player is allowed five (5) personal fouls and on the fifth (5th) foul that player will be disqualified. After fouling out, a player may not re-enter the game. A team may continue to play with less than five (5) players; however, once a team has three players or less, the game will end and the team will forfeit regardless of the score of the game.

10. Flagrant fouls will be penalized with free throws and/or ejection from the tournament. Fighting is strictly forbidden and players and/or teams may be disqualified from the tournament. The following penalties will be assessed at a minimum: 1st incident — player/players will be disqualified from the tournament. 2nd incident — team will be disqualified from the tournament. Other penalties

may follow at the discretion of the NACBA Executive Board.

11. 2 technical fouls in one game shall result in automatic ejection, one game suspension, and may result in other penalties as decided by the NACBA Executive Board.

12. Teams are required to be present 1/2 hour prior at their designated court, as game times are only approximate. The penalty for not being at the court at the required time will be one point per minute. Following ten minutes, the game is a forfeit.

13. Each team must wear uniforms that are of the same color and with distinct numbers designated on the front and back. Failure to do so will result in technical fouls for each player without the proper color and/or number. Players may not tape numbers. Each team should have two sets of colored shirts (one light color and one dark color). In the event that two teams are wearing the same color, the team that has joined the NACBA most recently must change their color uniform.

14. All Players must present original documents and photo identification (passport, birth certificates, etc.) that proves age and/or nationality at the request of the Tournament Committee. If a protest is lodged, the burden of proof is on the player to prove otherwise. Failure to do so will result in such player's disqualification from the game and tournament. All protests must be submitted by the coach and/or team captain by notifying the tournament coordinator in the respective gym before the start of any scheduled game. A \$100 cash deposit must be made prior to any protest. If age and/or nationality can not be confirmed at the time of protest, each game that such player has participated in will result in a forfeit.

# RULES & REGULATIONS

(Continued)

15. Players may only participate on one team and only in one division. Any player caught playing on another team within the same tournament will result in the disqualification of such player and each team that he or she played with during the tournament. (Exception: Masters/Old School division players)

16. After the initial jump ball to begin the game, all jump balls will be decided by the alternate possession rule.

17. DUNKING and GRABBING THE RIM IS NOT PERMITTED DURING ANY WARM UP TIME OR ANYTIME, EXCEPT DURING THE COURSE OF THE GAME. Failure to abide by this rule will result in a technical foul for each infraction.

18. TEAM FORFEITS: Any team that forfeits a game either by not showing up on time or walking off the court during a game may be disqualified from the tournament pending the decision of the NACBA Board. In addition, the team and/or organization may also be banned from the NACBA Invitational Tournament for a period of not more than three (3) years.

19. Tie Breaking Procedure: A) Two team tie — head to head, win/loss between the two teams tied. B) Three team tie — to determine first place: head to head W/L among three teams tied, then total point differential of the three teams tied against each other if necessary. To determine second place: head to head Won/Loss. C) Four team ties — settle the highest ranking team first, then revert back to three team tie break rules, and so on. If any point differential ties exist after taking the sum total of all tied teams, then total point differential of all teams in your division is the next tie breaker.

20. Point Differentials: The maximum number of points counted for point differential purposes is 20 points. Blow-outs are NOT encouraged.

21. Work Teams: Teams are required to work their assigned games during preliminary play and during the single elimination playoff/consolation round of the tournament. Failure

to do so shall result in forfeit of the team's next game, disqualification from the tournament and a ban from the NACBA Invitational Tournament for a period of not more than two (2) years plus loss of the team deposit.

22. Food and Drink: Unless permitted by the facilities, please refrain from bringing food/drinks inside the gymnasium. In addition, please throw all garbage in their proper receptacles. Repeated violations will be penalized accordingly at the discretion of the NACBA Execuxtive Board.

23. Sales/Concessions: No one may sell any food, beverage, or merchandise without first obtaining written permission from the NACBA.

24. Conduct: The NACBA has a zero tolerance policy regarding fighting and acts of violence. Please see paragraph 8 for penalties for fighting during games. Any player or team personnel committing an act of violence will be (i) ejected from the game, (ii) disqualified for the remainder of the tournament and (iii) asked to leave the venue immediately. If circumstances warrant, violators will be remanded to local law enforcement authorities. Also, at tournament staff/director's discretion, any player, coach, team support personnel, tournament participant, or fan exhibiting conduct unbecoming to the event may be subject to disqualification from the tournament and ejection from venues at any time.

25. Player check-in: First time players/participants and other designated players will be required to check-in on Friday, May 22, 2015. The time and place will be announced at a later date. No player will be able to participate without checking-in prior to the first game. Participation without checking-in may result in a team's forfeit of any played game.

26. Other rules: The NACBA Executive Board may make any other decisions in the interests of sportsmanship, fairness, time, etc. These decisions are final.

# HALIFAX BALLERS

We are a group of young and old ballers from Nova Scotia.

Some of us are still in university and some of us are full time workers here in NS.

We are coming to NACBA because one of our friends here who play basketball told us about this tournament. We

play on a weekly basis and figured that it's time to take on a challenge and see what competition is like out there.

There is a yearly Chinese basketball tournament here in Halifax so we took the top 3 teams and formed a team together to enter this competition. So we are actually enemies when we play in this tournament but we decided that we have to play as one to take on this challenge. Our best player in my opinion would be Nick Wang, he's the leader of the team that makes the magic happen.

We would like to welcome...

# OTTAWA AMIGOS

Ottawa Amigos basketball team was formed about 10 years ago and is based in Canada’s capital city - Ottawa, heart of the Great White North. Members of this team have been playing basketball together for more than 10 years and are leaders of the Ottawa Chinese Basketball Association. Some of us played competitive basketball at the university level.

Ottawa Amigos participated in the 1st All Chinese-Canadian Basketball Tournament held in Toronto and organized the 2nd one in Ottawa. Ottawa Amigos are most active within the local Ottawa Chinese community and have successfully organized 10 "Hua Ren Cup" basketball tournaments in Ottawa. Since 2006, we have built strong connections and close friendship with Toronto FCCM, Montreal MMAC, and some other basketball associations.

This is our first time partaking in the North American Chinese Basketball Association Invitational Tournament (Montreal). All players on the roster are excited about this opportunity. Our objectives are to have fun, to make more basketball friends, and to learn from other teams.

For this tournament, the Ottawa Amigos roster is made up of these players: Jin Xue, Lin Bian, Xiongxiang Yan, Zhongping Yan, Jianhua Yang, Jian Pei, Michael Huang, Hongrui Dong, Fang Guo, Xi Chu, Changshuang Lin, and Baolai Wang. Should you wish to contact Ottawa Amigos, feel free to drop an email to: [amigo.basketball@gmail.com](mailto:amigo.basketball@gmail.com).

We would like to welcome...

# CANTON UNITED TEAM

Canton United Team, also known as Guangzhou Bulls, was formed in 1990 by veteran national team players, provincial professional players and basketball enthusiasts. The eldest player is over 60 years old. For 25 years, they have never stopped playing basketball on Saturdays, which has become their norm. The team has participated annually in the World Chinese Basketball Invitation Tournament since 1998, and for the first time in the North American Chinese Basketball Association’s Invitational Tournament in 2004. Making friends by playing basketball and enjoying the game of basketball gives them the ultimate pleasure each week!
